COMPOST BIN SALE DAY
SATURDAY, MAY 20, 2006
 Saxon Woods Pool & Park
 White Plains

This is a rain or shine event. You must pick up your bin(s) on the day of the sale only.

Only \$18

Only \$38

Two types of composting bins will be available:

- a \$18 bin suitable for gardeners looking to compost mostly leaves and grass. This bin is expandable (up to 36" in diameter) and it has an open top and perforated sides allowing air, water and sunlight to enter and assist in the decomposing process.
- a \$38 "enclosed" bin that features a locking lid, bottom harvest door and anchor pegs to secure it to the ground, making it ideal for gardeners interested in adding organic food waste to the compost. This bin does not have a built-in crank to turn the compost, and the organic material should be periodically stirred manually (as with a pitch fork) to expedite the breakdown of organic matter.

Bring Your Lawn and Gardening Problems to the Experts!

Compost Bin Sale Day will feature a garden question and answer booth, by skilled staff and master gardeners of Cornell Cooperative Extension of Westchester County.

Learn how to:

- Make Compost in Your Backyard
- Use Compost as Mulch
- Prepare and Use Compost Teas
- Maintain Your Yard and Garden With the Least Toxic Pesticides
- Identify the Asian Longhorned Beetle
- "Grasscycle" to Benefit Your Lawn
- Have a Healthy Green Lawn and Protect Water Quality

To make sure we have a bin for you, reserve your bin(s) by Wednesday, May 17.
